Download Steam Machine Main Steam Machine Contest. About Steam Machines. The Contest was created to raise awareness about the affordable Steam Machine, which is currently available to a limited audience. About Steam Machine Contest. It has been a great experience to work with Mint and we are excited to see our product reach wider audience. Our alternative to Ubuntu is very popular. When we started the contest, it felt like there is so much noise on the internet. There were so many blogs and articles. It is really great to see it all getting together into one community and to see which one the community will choose. With so much force on a single product, it was really important that the contest is fair and not
